

Revised School Board Cell Phone Policy

Students may possess a cellular telephone, smart phone, tablet, Personal Digital Assistant (PDA) or other communication device on the school property, including school buses. Students may use their devices only during their assigned lunch period, on school buses or at extra-curricular activities. Students may use their devices for instructional purposes *only* at the direction of the student's teacher. Devices must remain out of sight and off at all other times while on school property.

At no time may any device be used with an unfiltered connection to the Internet. While on school property, students may only access the Internet using the GCPS network and such use shall be subject to Policy IIBEA and Regulation IIBEA-R Acceptable Computer System Use. Students are prohibited from accessing the Internet through any other service provider while on school property.

The division is not liable for devices brought to school or school activities.
